

España City Report

7th grade

1. Choose a city. Find a list of cities on back.

2. Using the computer, you will research these things;
 - a. location on map

 - b. population

 - c. date founded

 - d. 3 items of interest
 - famous people
 - university
 - food/festivals/dias de fiesta
 - historic event

 - e. importance to country
 - capital
 - location of important university
 - produce/export/import
 - location of government

3. Prepare a powerpoint of your city using the information you researched. You should include pictures of your city. Although your slides should include small amounts of information, no written report required.

4. 10 slide minimum
5 visual minimum

5. You will email your powerpoint to me on Wednesday the 5th. You will share your powerpoint with classmates on the 6th and 7th. If you are unprepared to share you will receive a 0 on that section of the project.
